

We extend our most sincere **compliments** to all the **volunteers** that came out for the **Epic at Buffalo Creek** last September to assist **S. Platte Ranger District** in the Buffalo Creek Recreation Area (BCRA) on lower western segment of **Green Mountain Trail** adjusting alignments and armoring drops for sustainability, developing drains for water diversion and reclaiming badly eroded trail segments. **Feedback** from the S. Platte Ranger District and trail users on the **results** has been **outstanding!**

On **May 19th, 2018** the **Trailblazers** will again be **partnering** with the **S. Platte Ranger District** in the **BCRA** of the Pike National Forest. We will be cleaning up several **hinge points** and **reinforcing a boardwalk entry / exit** on the mid & lower sections of **Nice Kitty Trail**. **Access** is **very good** and **close** to the **staging area!** Please review a bit of detail below for our 5/19/2018 Trail Day.

Colorado Trailblazers provide . . .

- We'll supply **Breakfast . . . Bagels, Spread, Juice, & Coffee!**
- When we're done with the trail work, there will be a post work **BBQ with Burgers, Brats, Cookies & Chips!**
- All **Tools** and **Leadership** to build great trail.

Directions . . .

- **From Denver** take U.S. 285 south to County Highway 126, Pine Junction, then south on 126. Proceed through Pine Grove to Buffalo Creek (where the North Fork of the S. Platte River crosses the road). About ½ mile south of the North Fork of the S. Platte River crossing County Highway 126, turn west (right) onto Buffalo Creek Rd. (FS Rd. 543). A primitive lot with portable toilet is located approximately ¼ mi. west on FS 543 from Highway 126. However, we suggest driving west on FS Rd. 543 approximately 1 mi. from Highway 126 in the proximity of the first metal gate on FS 543. The trail building staging area is just past the metal gate on the left denoted by the "*Parking*" on the map.
- **Look** for the **Trailblazers' tent canopies** on the **left** just **past the gate**.
- Plan your travel to **arrive** around **8:00 am** to get fueled up and meet everyone.

Volunteers need to bring . . .

- **Enthusiasm** and **energized muscles** to help us build these great trails for our community!
- **Wear** comfortable work clothes . . . **long pants, long sleeve shirt, and boots!**
- Bring a **lunch, snacks and lots of water** for during the day while on trail!
- Don't forget **work gloves, a hat, sunglasses, sunscreen, and jacket**, just in case!
